

Attention ALL Shooters

The results for the first “Triple 70” shoot is posted below.

There was \$710.00 in money awarded!

- √ - Your yardage may have changed due to your last “Triple 70” HOA score. If your new assigned yardage is greater, you must shoot the new assigned yardage. However, if you have been assigned a reduction, you may decline the reduction and shoot from your previous yardage. This rule is in place with the hopes that it will help balance the number of shooters per yardage.
- √ - Vets who did not shoot the entire program may not have been noted on the results sheet.
- √ - If you shot the May shoot, the \$5.00 registration fee covers you for all shoots this year.
- √ - Subsequent “Triple 70” shoots will not include a high vet award.
- √ - Shoot sequence will be just like the first shoot - Singles, Handicap & Doubles.
